

**ADAMS COUNTY/OHIO VALLEY SCHOOL DISTRICT  
POWER STANDARDS (INDICATORS)**

**MATH  
GRADE TWO**

**Standard – Number, Number Sense and Operations**

Use place value concepts to represent, compare, and order whole numbers using physical models, numerals, and words (up to 1000).

Count money, make change, and write money amounts using a cent sign, or a dollar sign and decimal point.

Represent fractions using words and physical models ( $\frac{1}{2}$ ,  $\frac{1}{3}$ ,  $\frac{1}{4}$ ,  $\frac{1}{8}$ ).

Compare and order physical models of halves, thirds, and fourths in relation to 0 and 1.

Demonstrates fluency with addition and subtraction facts to 18.

Add or subtract 2-digit whole numbers with and without regrouping.

POWER STANDARDS (INDICATORS)**

**MATH  
GRADE TWO**

**Standard – Measurement**

Tell and write time to the nearest 5 minute interval on analog time pieces.

**Standard – Geometry and Spatial Sense**

Identify 2 and 3 dimensional shapes and determine if shapes are congruent or similar.

**Standard – Patterns, Functions and Algebra**

Extend and create patterns with consistent rules and describe the rule being used.

**Standard – Data Analysis and Probability**

Read, interpret, and gather data, make charts, graphs, and tables, and write observations about the data.

Determine the probability of an event as being most likely, least likely, or equally likely to occur.
