

**ADAMS COUNTY/OHIO VALLEY SCHOOL DISTRICT
POWER STANDARDS (INDICATORS)**

**SCIENCE
PRESCHOOL**

Standard – Life Science

Identify common needs of familiar living things.

Match familiar adult family members, plants and animals with their young.

Standard – Physical Science

Sort familiar objects by one or more property.

Demonstrate understanding of motion words (e.g., up, down, fast, slow, rolling, jumping, backward, and forward).

Standard – Scientific Inquiry

Ask questions about objects, organisms and events in their environment during shared stories, conversations and play.

Standard – Science and Technology

Identify the intended purpose of familiar tools (e.g., scissors, hammer, paintbrush, cookie cutter).
