

**ADAMS COUNTY/OHIO VALLEY SCHOOL DISTRICT
POWER STANDARDS (INDICATORS)
LIBRARY SCIENCE**

Understand that school library books and materials are organized into sections: Nonfiction, fiction, reference, periodical, biography, audio-visual, and collective short stories and biographies.

Utilize the Dewey Decimal System to locate non fiction books and materials.

Use the online public access catalog to locate school library materials.

Use Internet to find, use, and evaluate information for research and personal use.

Comprehend that media communications deliver information and messages with regard to social, political, and economic issues.
